Dear Friends,

FOR 40 YEARS we have been fortunate to live in Camden, Maine caring for the “Original Windjammer Fleet.” With mixed emotions we have made the decision to formally put our historic National Landmark schooners up for sale.

In preparation for the next chapter in our lives, we have purchased a 56-foot hermaphrodite brig which is being refit as a luxury six passenger windjammer. She has been renamed *Swift* after Capt. Frank Swift, the founder of our company and the windjammer industry in general. All four of our vessels will be running this season and when the fleet is sold, we will continue to operate *Swift* in our semi-retirement. We feel strongly about maintaining our connection with traditional sailing and sharing it with others.

We are grateful for the opportunity we’ve had to sail these magnificent vessels, and for the support our passengers have given us. It has been a blessing to have met so many wonderful people while on our sailing adventures along the Maine coast. Hope to see as many of you as possible this summer.

Capt. Ray & Ann Williamson

LOD 56' • LWL 47' • LOA 75'

Passengers: 6-12

Crew: 3

Accommodations: Two double cabins with full-size beds and a family cabin with three single beds, one of which can be converted to a double. This cabin will be handy for charters with extended family or friends. Each cabin has a private enclosed electric flushing head and sink. Reading lights, electric fans and charging ports are in all cabins. The hot-water shower is located in the day head off the main salon. Though well-appointed below, the real highlight is her spacious deck which will be shared only by your intimate group of six or slightly more if chartered.

We are excited about this new endeavor and look forward to welcoming you aboard!
